

MACHANE PENINA

Dismissal Safety Instructions

Dear Parents:

In order to provide the safest environment for your children during our Summer Program, we ask that you please read the following letter completely and comply. Any changes to the dismissal procedure should be made **that** day before 1:00 p.m.

The buses will leave from Ave R at 4:00.

Pick Up: Please wait until the buses leave. Then you can pull up to the curb (taking the buses' place).

We ask that all parents who are picking up their children wait outside the yard on Ave R in your car. **Please do not come into the yard.** We will bring the children to you.

Please do not double park across the street on Ave. R. If you must double park on the camp side of Ave. R, please **do not leave your car unattended.** A Morah will approach your car, find out your child's name and bunk and your child will be brought to you.

If you double park on East 17th Street, make sure that cars can get around you. **Under no circumstances, may you triple park** – even if it's just to have your child get into the car. The police have been quick to give tickets, and we must respect our neighbors on the block. You may not block anyone's driveway.

Each Bunk will have a specific area in the yard to wait with their Morah.

We're looking forward to a safe and happy summer!
